Economics and Management

Application for the change of the ORBA Study and Examination regulation

Surname:

Name:

Matriculation Number:

“I, _____, want to switch to the new ORBA Study and Examination Regulation from June, 26 2019.”

date and signature

Recognition of previous modules

Tick off the modules (/) you have successfully completed and choose the specialization, in case the module can be recognized for several specializations:

<input checked="" type="checkbox"/> / <input type="checkbox"/>	examination number	module	choose specialization
	20813	Accounting Theory	Elective Module
	22032	Advanced Business Analytics	
	22033	Advanced Computational Transportation	
	21163	Advanced Marketing Research	Elective Module
	22049	Seminar: Analysis of Manufacturing Analysis	Supply Chain Management
	20812	Bargaining, Arbitration, Mediation	Elective Module
	20043	Behavioral Finance	
	50115	Business Decision Making	Elective Module
	22035	Business Forecasting	
	20624	Business Planning	Elective Module
	20623	Collective Decision Making in Organizations	Elective Module
	22373	Company Valuation	
	22047	Seminar: Computational Finance and Financial Management	
	22191	Computational Transportation	
	50013	Concepts and Algorithms of Optimization	
	20322	Consumer Behavior	Elective Module

Master program Operations Research & Business Analytics

Faculty of
Economics and Management

	20029	Corporate Finance	
	50015	Data Mining	
	50016	Database Concepts	
	20294	Dezentrale Unternehmenssteuerung	Elective Module
	22220	Downside Risk	
	21948	Econometric Analysis of Experimental Data	Elective Module
	50308	Econometrics	
	21682	Economics of International Business	Elective Module
	20305	Economics of Growth	Elective Module
	50008	Empirical Finance	
	50004	Evidence Based Policy Analysis	Elective Module
	50760	Financial Engineering	
	50006	Foundations for Finance	
	50011	Integer and Combinatorial Optimization with Applications	
	50014	Intelligent Data Analysis	
	50114	International Corporate Strategy	Elective Module
	21007	International Taxation	Elective Module
	50384	International Trade	Elective Module
	50017	Introduction To Computer Science for ORBA	
	21979	Inventory Management	
	20915	Investition und Finanzierung III: Engineering Economics	
	50306	Macroeconomic Analysis	Elective Module
	22118	Seminar: Management of Production Systems with Random Yields	Supply Chain Management
	21928	Seminar: Management Science – Recent Advanced in E-Fulfilment	Supply Chain Management
	50566	Marketing Methods & Analysis	Elective Module
	50024	Microeconomic Analysis	Elective Module
	20559	Monetary Economics	Elective Module
	22034	Multicultural and Interactive Marketing Communication	Elective Module
	22229	Seminar: Online Consumer Research	Financial Engineering
	50007	Open Economic Macroeconomics	Elective Module
	20023	Option Pricing	
	21447	Personnel Economics	Elective Module
	22036	Population and Family Economics	Elective Module
