

Application for taking an online examination in rooms of the OVGU

Dear students,

in order to take online exams properly, you need access to a stable, powerful internet connection. If you do not have such a connection (e.g. place of residence without broadband) you have the possibility to take the scheduled **online exam** (→ no change to in-person exam!) in a Wifi-equipped exam room¹ of the OVGU:

Attention! The hardware required for the online examination (e.g. laptop, camera, microphone) **must be purchased or provided by you as the examinee.**
