FACULTY OF ECONOMICS AND MANAGEMENT

Study Abroad!

Why is a Study & Work Abroad important?

It's not included in the study program, time taking, stress …

Important for … Personal Development

Intercultural Skills:
Culture studies, get in touch with different work & job structures, procedures, language training, …

Independence & Adaptability:
New perspectives, out of the comfort zone, mastering challenges

… Professional Advantage

Key Qualifications, Soft Skills:
Language studies, follow academic interests, improve stress resistance and organizing skills (visa, get yourself informed, accommodation search , …)

Networking:
Get contacts to international companies and experts, make friends
